

**BRITISH POULTRY COUNCIL AWARD
ENTRY FORM
FOR STANDOUT PERFORMANCE - SUPPLY CHAIN**

This brand-new award category is aimed solely at the poultry industry supply chain. We are seeking a company that has demonstrated standout performance within their sector during the past 2 years that has led to a marked increase in the level of production and effectiveness of the supply chain within the British chicken, turkey or duck industry. This could be implementing new technology, special training, increasing business, apprentice schemes, and anything else that has made a noticeable difference. We welcome entries from all companies within the supply chain or companies can be nominated by poultry producers.
